Message from District Governor Lion Dr. Moez Manji

My Dear Lions and Leos,

I want to take this moment to extend my heartfelt thanks and best wishes to every one of you for your tireless dedication and commitment over the past year. Together, we have made 2024 a remarkable year for our district, and I could not be prouder of what we have achieved.

In just six months, we have made great strides. We welcomed six new Lions Clubs and four new Leo Clubs into our family, further strengthening our collective impact. Our membership has grown to an incredible 1,820 members, marking a significant milestone we haven't reached in the past 11 years. This growth is a testament to your passion for service and unwavering belief in the Lions' mission.

We also had the privilege of hosting a successful Lions Leadership Institute in Nairobi, empowering our future leaders from Kenya, Uganda, Tanzania, and Ethiopia with the tools they need to carry our mission forward. This year also witnessed the first-ever Hall of Honour for Past District Governors, where we celebrated and honored all 72 PDGs of our District 411A. This was a proud moment for all of us as we recognized the legacies of those who have paved the way for us.

Additionally, we launched the Leos Hybrid Education Programme, which has proven to be a great success, further bridging the gap between generations of Lions and empowering our young leaders for the future. These achievements are just a glimpse of the amazing work happening in every corner of our district, and they are made possible by your incredible dedication and support. I am immensely proud to be part of such an inspiring group of individuals who continually strive to make the world a better place.

As we celebrate this holiday season, let us take a moment to reflect on all we have accomplished and look forward to even greater success in the coming year. We will continue to serve, grow, and lead with the strength and unity that define the Lions of District 411A.

On behalf of First Lady Zinat and myself, we wish you and your loved ones a Merry Christmas and a Happy New Year filled with peace, joy, and continued success.

PRISONS VISIT

LET'S CHANGE THE WORLD BY SERVING THE COMMUNITY

On December 7, 2024, the Lions Club of Nyabururu conducted a philanthropic visit to the Nyabururu Women's Prison. Members of the club, accompanied by friends, convened at JML Wachira Wholesalers, where they had diligently organized and gathered donations for this noble initiative. The contributions were then delivered to the prison, where they were warmly received by the administration and the inmates.

The prison administration expressed heartfelt gratitude to the Lions Club of Nyabururu for their commendable efforts and encouraged the members to continue their mission of supporting the needy and underprivileged. During the visit, the Warden-in-Charge specifically requested Dr. Pauline Wambui, a pediatrician, to assist a young boy residing in the prison with his mother, who is currently serving her sentence. Similarly, Dr. Rachael Kinyanjui was asked to provide assistance to a young woman serving her time in the facility.

In response to these requests, the members of the Lions Club raised funds on the spot to cover the boy's medication, with both doctors generously offering to procure the necessary medicines and deliver them to the prison. Before concluding the visit, the club members scheduled a follow-up meeting for January 10, 2025, to plan their calendar of events for the upcoming year.

The inmates, deeply moved by the Christmas gifts and the inspirational words of encouragement, expressed profound gratitude. They also conveyed a renewed sense of hope and determination, pledging to make meaningful contributions to society upon completing their sentences.

Lions Clubs International District 411A Launches Lions Club Of Nairobi Trailblazers

BY CORRESPONDENT

Lions Clubs International District 411A has launched Lions Club Of Nairobi Trailblazers in a bid to increase services in the country. The club, now the 66th in District 411A comprises Kenya, Ethiopia and Seychelles with a strong membership of 1,805 members. District Governor Lion Dr Moez Manji launched the initiative and said it redefines the concept of service by uniting corporate organisations and local communities, in a meaningful and collaborative manner for a better world for the less fortunate members of society. He added that it will bring together corporate leaders, professionals and community members under a shared vision - to create sustainable

and impactful change by leveraging corporate expertise and resources while addressing the needs of local communities. The Charter Club President Lion Nandakishore Nair said they aim to go beyond traditional corporate social programmes and create a model where businesses actively engage with the community to drive measurable progress. "Let's roar for a better world through targeted programmes in areas such as education, health, environmental sustainability and economic empowerment by building lasting partnerships and foster a spirit of unity," Nair urged. The charter event took place at the Lions Service Centre Loresho, Nairobi, and was attended by the Kerala Association of Kenya Chairman, various district leaders and past governors, marking the beginning of an innovative era in

service and community impact. The District Governor and his wife Zinat Manji present the certificate of charter membership to Lions Club of Nairobi Trailblazers President Nandakishore Nair (pictured).

Fun Fact: Kenya is A Global Leader in Kindness

Did you know Kenya is ranked the kindest country in Africa and third globally according to the World Giving Index by the Charity Aid Foundation (CAF)?

An astounding 76% of Kenyans help strangers, 53% donate money, and 51% volunteer their time, showcasing the nation's deep culture of generosity and community support.

From financial aid to volunteering, Kenyans are committed to uplifting vulnerable groups such as orphans, the elderly, and people with disabilities.

Truly inspiring.
